(CERN Secretariat)

P. O. Box 1114, Islamabad, Tel: 051-9246154, Fax: 051-9246150

No. CN-Sec-1(12)/17-9

Dated: July 14, 2017

## Circular

Subject: Jobs/Positions at CERN

It is circulated for information to all concerned that following Jobs/Positions are available at CERN and may be accessed after typing "Careers at CERN" on web. All details for the post are given in the announcement.

- i. Computing Infrastructure Engineer (closing date 23.07.17)
- ii. Civil-enge Architectural designer-draughtsperson (closing date: 27.07.17)
- iii. Radio Frequency Engineer (closing date 20.08.17)
- iv. Materials Engineer (closing date 31.08.17)
- v. Experienced Hardware Infrastructure Tech (closing date 29.08.17)
- vi. Mechanical Engineer (closing date 10.09.17)
- vii. Short-Term Internship Programme (Open all year)

2. The suitably nominated officer/staff may apply online directly to CERN after approval of the Competent Authority (concerned Member for PAEC). It is pertinent to mention that CERN is not obliged to provide the Job to the recommended candidate. It is an open competition among the candidates from all the member states and CERN has its own selection criteria.

3. If the nominated officer/staff gets positive response from CERN, he/she may inform the undersigned for processing the case for approval of the Chairman, PAEC.
