Dr. Arshad S. Malik
Head, International Office
COMSATS Institute of Information Technology
Pakistan

Dear Dr Arshad Malik,

This letter is to confirm the intention of Macquarie University, Australia to seek to enhance relations with the COMSATS Institute of Information Technology, Pakistan, through a range of mutually beneficial activities.

These activities include, though are not limited to:

- Exchange of academic materials and information;
- Joint seminar and other academic meetings;
- Guest lectureship;
- Study tour for students and staff;
- Study abroad, with the possibility of articulation arrangements.

Macquarie University considers COMSATS Institute of Informational Technology an important partner institution and the activities proposed above serve as a reflection of our commitment to the valued relationship between the two institutions.

Yours sincerely,

Matt Monkhouse
Director, Global Engagement and Business Development
