

# Grab your tickets - Invitation to participate in the virtual IEEE YESIST12 Outreach camp 2021 - 27 and 28 February 2021

the IEEE YESIST12 team are excited to announce that the YESIST12 is up for the year 2021. Being an international event, IEEE YESIST12 is well-known as a platform that recognizes young talents, who have great potential in producing innovative ideas used in solving humanitarian and social issues affecting directly the community around them.

The event comprises of various tracks:

**Innovation Challenge:** It is an international project competition by IEEE Madras Section and IEEE Education Society that receives innovative ideas and act as a liaison between engineers and experts.

Here's a chance to listen to comprehensive talks about the international event. The outreach camp is a platform through which the participants enter as partakers meanwhile obtaining a gist of the event. This might be your chance to contribute your talents towards the enhancement of the global community. Notably, the outreach camp paves a way for students to connect with experts and with like-minded people.

It's through curiosity and perspective towards opportunities that map our path. We invite you to attend the Outreach Camp 2021 and make the best use out of it.

Please click on the link below to register for the outreach camp on the 27th February at 4 pm IST (GMT +5.30) and 28th February at 9 am IST (GMT +5.30)
